- I am enrolling in FotoFantasyCamp®, held during the dates and location indicated below. I understand that the photo shoots may involve exposure to partially nude models, and that this is for learning and participation in shoots. I also understand that lewd or lascivious behavior on the part of a student photographer is unacceptable, and will not be tolerated resulting in expulsion from the camp without refund.
- I will be observing one or two professional photography sessions, and will be actively participating in several others. All of the photo shoots will take place at locations chosen by FotoFantasyCamp®. At the conclusion of the seminar, I will retain work product and copies from my photo shoots which are NOT FOR RESALE without prior written permission by FFC, and or, models. All photography is for educational purposes only, not for fulfilling assignments!
- The cost for this four-day event is **\$2,985.00**. Reservations may be made with a \$1,500 deposit upon signing of this agreement, with the balance to be paid 30 days prior-to the first day of arrival.
- I acknowledge that the cost of all air travel and/or transportation to my chosen hotel, as well as the hotel accommodations indicated in the itinerary, are my sole responsibility. All alcoholic beverages, special orders and additional food and drink will also be my sole responsibility.
- I am obligated to sign and remit this agreement within three days from making my reservation or risk forfeiture of deposit and my place. I am obligated to complete full payment 30 days prior to the first night.
- **There are no deferments or refunds.** Due to advanced expenses for the hotel, food, models, makeup artist, stylist, and locations, we are not able to extend refunds or deferments.
- There will be no credit given for student photographers who arrive late or leave early. Participation in the camp is not available on a pro-rated basis.
- Failure to attend the first meeting of the FotoFantasyCamp® without prior notification is automatic forfeiture of tuition.
- This will be a working and learning environment. I am responsible for the effective management of my lifestyle and creative focus during the program. FotoFantasyCamp® is not responsible for any personal, professional, logistical, creative, or any other conflict, which interferes with my attendance, productivity, or capacity to participate. FotoFantasyCamp® staff and instructors pledge to provide professional level education and environment, and require corresponding behavior from all participants.
- All photographic products resulting from the camp belong to the photographer for personal enjoyment and possession only. Images may be displayed for your promotional use, but we respectfully request that proper acknowledgement that the image was taken at a FotoFantasyCamp® event accompany the image in any such use as they are not solely your creative output having been the result of the FFC staff's styling and lighting set up. The sale, publication or transfer of any of these images without the explicit written consent of the Models and FotoFantasyCamp® representatives is **strictly prohibited**.
- The locations and dates of FotoFantasyCamp® may need to be changed due to unforeseen scheduling or logistical issues up to 30 days **prior to the First Night**. If such unforeseen changes impacts travel plans or participation, **no refunds can be made**, only a replacement date to accommodate those already holding places in the future.
- Acceptance into and my agreement to take this course are transferable with approval of FotoFantasyCamp® administration up to 30 days prior to the first night.
- Exceptions to these policies are subject to the sole discretion and advance approval of the FotoFantasyCamp® Los Angeles office.
