

Pro Experience Application

1. Call 877-382-8125 or e-mail us at info@fotofantasycamp.com to apply for The Pro Experience. *(You must have attended at least one Original FotoFantasyCamp® or you will need to demonstrate your level of experience and photographic ability before being accepted to the camp. Eligibility will be based upon both your level of experience and skills as demonstrated by submission of your portfolio or a website for review. Unlike the Original FFC, The Pro Experience demands that a student-photographer light his own sets with the staff offering minimal assistance yet making sure the student realizes any miscues or mistakes in order to facilitate learning.)*
2. Complete and sign this agreement if you wish to submit yourself as a candidate to attend The Pro Experience.
3. Fax to 877-382-8125 or mail the completed application with payment to: FotoFantasyCamp, 6222 Albion Dr., Huntington Beach, CA 92647. Make checks payable to "Mecey Enterprises, Inc.". ***Please note, if you are not accepted to attend The Pro Experience, your payment will be refunded in full.***

- I am applying to enroll in FotoFantasyCamp® — The Pro Experience (herein-after referred to as "FFC-Pro"), to be held during the dates and location listed in the schedule. I understand that the photo shoots may involve exposure to models in sexy attire, and that this is for learning purposes only. I understand that lewd or lascivious behavior on my part is unacceptable and will not be tolerated.
- I will be participating in various photo shoots as both a photographer and assistant to other photographers. The photo shoots, assigned by the FFC staff, will be "real world" exercises in photography. My participation is shared with two or three other photographers serving in a team atmosphere until the conclusion of the camp. I will receive work product and copies from my photo shoots and will be judged in the FFC-Pro photo contest. I acknowledge that I will need a laptop to download and review my images. David will also go over his workflow on images from the shoot, to download, to color correction and image editing.
- In addition, because the FFC-Pro workshop format allows much more autonomy, FFC suggests all students retain the contact information of the models should the photographer have the opportunity to sell or have their images published. In such a case, the student/photographer **MUST contact both the depicted model(s) and FFC to make arrangements for compensation to the model** in exchange for a signed model release for the specified usage.
- The cost for FFC-Pro is \$3,485. Reservations may be made with a \$2,000 deposit upon signing of this agreement, with the balance to be paid 30 days prior to the first day of arrival. All monies collected will be refunded should your application be rejected.
- I acknowledge that all air travel and/or transportation costs as well as the cost of my hotel accommodations and all of my food and drink, as indicated in the itinerary, are my sole responsibility.
- I am obligated to sign and remit this agreement within 3 days of making my reservation or risk forfeiture of both my deposit and my place. I understand that I am obligated to complete full payment at least 30 days prior to the first night of the camp.
- There are no deferments or refunds. Due to advanced expenses for the hotel, food, models, makeup artist, stylist, crew, film, and locations, we are not able to extend refunds or deferments.
- There will be no credit given for students who arrive late or leave early. Participation in FFC-Pro is not available on a pro-rated basis.
- Failure to attend the first meeting of the FFC without prior notification will result in automatic forfeiture of the full tuition.
- This will be a working and learning environment. I am responsible for the effective management of my lifestyle and creative focus during the program. FFC is not responsible for any personal, professional, logistical, creative, or any other conflict, which interferes with my attendance, productivity, or capacity to participate. FFC staff and instructors pledge to provide professional level education and working environment, but require corresponding behavior from all participants.
- Exceptions to these policies are at the sole discretion of the FFC Los Angeles office and must be approved in advance.
